**NEXT MEETING: THURSDAY,
FEBRUARY 16TH, 7pm at GOOD SAM'S
AUDITORIUM**

**DAVID FIERRO, MAYORDOMO
OF TORTUGAS PUEBLO**

*THE CHALLENGES OF GUARDING
NATIVE AMERICAN TRADITIONS
IN A CHANGING SOCIETY*

Please read the description of Mr. Fierro's presentation in this newsletter. It will be a very informative and exciting evening!

Thanks to all of you who attended and helped to celebrate the past year at our annual meeting and dinner on January 28th.

The food was wonderful, the attendance was fantastic (160) and Representative J. Paul Taylor's presentation was great. We also raised \$1,752 through the silent auction! All of the Board worked hard to make the banquet a success. The Annual Award winners were announced in the last (January) newsletter with the exception of the Gemoets Prize for the best article in the Southern New Mexico Historical Review. The winner was Donna Eichstaedt for her oral history article "J. Paul Taylor: True Son of the Mesilla Valley". Some of the behind the scenes achievers were: Donna Eichstaedt who compiled the program, edited it and got it published. Donna was also Chairperson for all of the Annual Awards Committees. George Helfrich took many calls and reservations for the dinner and handled

registration for the evening. Bob Pick along with Carl Eichstaedt and I handled the auction. Wanda Tourney helped with the sales of our publications and Dr. Gordon Owen autographed his book on Las Cruces history. Felix Pfaeffle worked many hours with Representative Taylor to format and edit the DVD presentation on the Taylor's

home in La Mesilla.

I thanked the Board for their support throughout the year and welcomed all of them back as well as our newest member, Buddy Ritter. Buddy has had 5 generations of New Mexicans in his heritage and will bring much experience and competence to our Society's board.

The January 2006 edition of the Historical Review was distributed to those who attended

the Annual Meeting, and will be available at all meetings starting with the February 16th program. For those members who live out of the local metropolitan area we will mail copies in the coming month. Those local members who want their copy now may pick it up at the Branigan Cultural Center. We are trying to keep the mailings to a minimum due to the costs involved.

We still need and would very much appreciate volunteers to help the Board on various projects. Call me (521-7833) and we will see where you might be interested in serving. Thanks for your continued interest in area history and in the preservation of our varied cultures and heritage. Chuck

“Challenges of Guarding Native American Traditions in a Changing Society”

Mr. David Fierro, a member of a Corporacion de Los Indigenes de Nuestra Senora de Guadalupe, Tortugas Pueblo will present a talk to the Las Cruces Historical Society on 16 Feb 06 at 7:00 p.m. at the Good Sam’s auditorium on the challenges faced by the Pueblo in modern times. His presentation will provide an overview of the December Fiesta held in honor of Our Lady of Guadalupe and the challenges of continuing the traditions.

Doña Ana County Historic Building Advisory Committee (DACHBAC) Update

Chuck Murrell and I were invited on Jan. 13th to participate in a meeting to prepare for the County's advertisement for Sealed Bid/Request For Proposals for the County properties which will be vacated later this year when the new County complex is completed. Included in the request are the Courthouse and what was formerly the Amador Hotel. It was the intention of the County to place covenants associated with both buildings that would preserve their external appearance.

The Notice did in fact appear in the Legal Notices section of the Las Cruces Sun-News on Sunday, January 29, 2006. Copies of the specifications for the Bid/Request are available from the County and will be reviewed by the Committee which has been asked by the County Manager to review the responses related to the two historic buildings. Bid/Proposal opening date is March 1, 2006, at 2:00PM.

Important information for our Membership!

Some Silent Auction items that were donated this year didn't get out on the tables. The main reason for this was that we had about 70 spaces on the tables and to have displayed some 90 items would have made the accounting and gathering payments a major problem. We will use these items next year. We really do appreciate your help in making this major part of the dinner so successful! We raised a record \$1,752.00!

Your Board needs input on the type of programs our members want. Especially important is the recommendations on programs you have actually seen or heard about and feel the membership will enjoy.

We need two levels of volunteers to step forward:

There are a few areas where we require ongoing support. These folks might well be ad-hoc members of the board and help us plan our activities.

The other level would be of a more temporary nature when we need help for a specific function or short term project. If you would like to talk about this -please call. 521-7833
